

Directions:

Glan Gors Felin is located on the outskirts of the village of Rhydwyn on Anglesey.

In order to get to the house, please follow the A55 across the Britannia Bridge onto Anglesey. Continue on the A55 until exit 3 for Y Fali/Valley. Take this exit to the traffic lights at Valley where you should turn right for A5025 towards Amlwch. Stay on the A5025 for about 6.3 miles.

Go past the turning for a village called Llanfaethlu (on a bad bend with a 40 mph limit). Go past a garage in a dip in the road on the right. Take next left turning for Rhydwyn. Stay on the country lane. You will pass a white cottage and then a stone bungalow on the right. You will see a bungalow on the left and then a small white cottage on a bend. Please take the left turning immediately at the side of the white cottage. It is a small lane that leads up to Glan Gors Felin. When the lane widens, take the left turning up a track. Your parking is in front of the house.

The post code is LL65 4EA should you wish to download a map from the Internet.

I wish you a safe journey and a great holiday.

All the best,

Catherine
